## Disclaimer

The Fair Work Ombudsman is committed to ensuring that information available through this pay guide including data is accurate and incorporates changes to minimum rates of pay, allowances and penalty rates in the award as soon as they come into effect.

However, we cannot guarantee or accept any liability for the accuracy, reliability, currency or completeness of the information available in this pay guide. This is because, for example, there may be a delay between when a change takes effect, and when the information available in the guide is updated.

When considering information available in the pay guide about awards you should also have regard to the terms of the relevant award, which can be found through our [Awards page](#). If our information is inconsistent with the award, then the award applies.

If you need further assistance you can [contact us](#). Alternatively, you may wish to get independent advice from a union, employer association or lawyer on your particular circumstances.

We encourage you to [subscribe to email updates](#) to receive alerts when pay rates and entitlements change in this pay guide.

## Rates of pay

The rates in the tables below include an industry allowance for employees engaged on joinery work, shopfitting, stonemasonry or outside work. The Level 5 - glazier and apprentice glazier rates include an industry allowance for employees engaged on other than factory glazing. If any other all-purpose allowances apply, the rates below should not be used and should be calculated using the [Pay and Conditions Tool](#).
