Published 31 August 2026

When do the rates in the pay guide apply from? The first full pay period starting on or after 01 September 2026.

What is in this pay guide? It's a summary of the award rates. Go to the award for information about coverage, classifications, conditions and the operation of minimum rates, allowances, penalty rates and overtime.

Where can I go for more information? Our Pay and Conditions Tool can help you work out pay rates, leave, notice and redundancy minimum entitlements based on the information you provide. Our website also provides useful templates, best practice guides, fact sheets and online courses.

Equal Remuneration Order arrangements

An Equal Remuneration Order (ERO) was made on 22 June 2012 with respect to employees in the Social and Community Services and Crisis Accommodation classifications of the award. The order preserves a transitional minimum wage applicable at the first full pay period on or after 01 July 2012 and provides an additional Transitional Equal Remuneration Payment (TERP). The TERP is introduced over 9 payments from the first full pay period on or after 01 December 2012 until the final pay period before 01 December 2020.

The rates set out in this pay guide changed for all classifications from 01 July 2020 to take into account the Fair Work Commission's annual wage review. From 01 December 2020 the transitional provisions in the ERO will cease. From that date, the final rate from the ERO (modern award rate plus the Final Equal Remuneration Payment) will apply for Social and Community Services and Crisis Accommodation classifications.

There are continuing transitional arrangements for non-constitutional corporation employers and employees in Queensland. These rates are not covered in this guide, but are available in the Pay and Conditions Tool.
